

January 20, 1976

pension. There ain't nobody hauling me around. You know, just examine your conscience. You are the guy that has got to live with it. I am not going to run again. But this is the way I sincerely feel. Hell, I just plead and beg with you to indefinitely postpone this piece of legislation.

PRESIDENT: You heard the motion. Record your vote. Have you voted? Please vote. Have you all voted? Record.

CLERK: 21 ayes, 21 nays.

PRESIDENT: The Chair votes nay. The bill is not killed. Senator Goodrich, for what purpose do you arise?

SENATOR GOODRICH: Mr. President, members of the body, I move that this bill be referred to the Education Committee for another hearing. Would Senator Frank Lewis have any objection to that, being the Chairman of the Education Committee? Would you mind having another hearing on this particular bill? Having a hearing, rather, on this particular bill?

SENATOR F. LEWIS: If that is the desire of the body, it is fine with me?

SENATOR GOODRICH: Then I would move that we refer this bill to the Education Committee for them to come back, after they have had a hearing on it, with a recommendation to this body.

PRESIDENT: This will be a machine vote. There is a motion to re-refer this bill back to Committee for another public hearing. Record your vote. Record.

CLERK: 31 ayes, 9 nays.

PRESIDENT: Motion carries.

SENATOR GOODRICH: I want to make sure it is the Education Committee.

PRESIDENT: For what purpose do you arise, Senator?

SENATOR GOODRICH: I wanted to make sure my motion said Education Committee because it was originally heard by the Health Committee and the motion was to refer it to the Education Committee.

PRESIDENT: That is what your motion said and that is the way the Chair announced it. I am not sure that is proper. It probably should have gone back to the Reference Committee but that is the way the proposition was put to the House. LB 398.

CLERK: Mr. President, there is a Reference Committee report which will be read in the Journal, referring LB 841 through 844. Signed by the members of the Reference Committee. See page 282, Journal.

PRESIDENT: We will hold up on LB 398, Senator Schmit, until the Clerk has had an opportunity to read some bills in.
